Dear Citizens and Property Owners of Jefferson:

Maryland State Highway Administration (SHA) invites you to attend an important public meeting to update you the project status and engineering design concept for road improvements, which will incorporate a two mile stretch of Maryland Route 180 from US 340 to Old Holter Road. The meeting will be held at 6:30 p.m. on Wednesday, December 11, 2013 in the Jefferson Ruritan Community Center, 4603 B Lander Road, Jefferson, MD 21775.

The purpose of this meeting is to ensure the past concept still address the concerns of the community. As part of the meeting, an opportunity will be provided for interested individuals, associations, and citizen groups to offer input and/or provide comments on the project, including possible pedestrian safety enhancements, drainage concerns, etc.

The information of the past public meetings can be found at <http://JeffersonMd.net/Streetscape>
